About the Roundtable Discussion

Following the study "HIV and Human Rights: A Study of the Legal and Legislative Framework in Lebanon" conducted by SIDC and authored by Attorney Nermine Sibai in 2017, this round table discussion will be held to discuss specific action plans for the recommendations which fall under the health area. The following three categories will be addressed:

1. Confidentiality & Anonymity
2. Access to Care
3. Discrimination

Featuring

Jacques Mokhbat, MD. Nesrine Rizk, MD.
