LEBMASH

LGBT Health Student Workshop

Towards a Better Health of Lesbian, Gay, Bisexual & Transgender Individuals

18th MARCH 2018 | **9 AM**
3 PM

Presented by

Hasan Abdessamad, MD FRCSC FACOG
Department Chair of Obstetrics and Gynecology, Highline Medical Center

Suha Ballout, PhD, RN Assistant Professor, University of Massachusetts Boston

About the workshop

This workshop provides health profession students (medical, nursing, social work, psychology...) with basic knowledge about sexual health, health issues, and disparities of lesbian, gay, bisexual, and transgender (LGBT) communities.

The workshop uses active learning strategies to provide students with opportunities to practice affirming and inclusive health care regardless of sexual orientation or gender identity.

Goals of the workshop

1. Increase understanding, comfort, and confidence in addressing sexual health and LGBT health issues in Lebanon
2. Demonstrate competence in comprehensive sexual history assessment inclusive of gender and sexual orientation diversity
3. Identify effective communication strategies to provide affirming care for LGBT patients.
